

[Intro]

C F C G

[Verse 1]

C F
You, who are on the road

C
Must have a code

G
That you can live by

C
And so

F
Become yourself

C
Because the past

G
Is just a goodbye

[Chorus]

C F
Teach your children well

C G
Your father's hell did slowly go by

C F
And feed them on your dreams

C
The one they picked

G
The one you'll know by

[Post-Chorus]

C F
Don't you ever ask them why

C
If they told you, you would cry

Am F
So just look at them and sigh

G C
And know they love you

[Verse 2]

F C G C F
And you of tender years

C
Can't know the fears

G
That your elders grew by

C

And so please help

F

Them with your youth

C

They seek the truth

G

Before they can die

[Chorus]

C F
Teach your parents well

C

The children's hell

G

Will slowly go by

C

F

And feed them on your dreams

C

The one they picked

G

The one you'll know by

[Post-Chorus]

C F
Don't you ever ask them why

C

If they told you, you would cry

Am F

So just look at them and sigh

G

C

And know they love you.
