

Its The End Of The World As We Know It And I Feel Fine Official by R.E.M.

[Intro]

G

[Verse 1]

G

That's great, it starts with an
Cmaj7
earthquake

G

Birds and snakes, an aeroplane

Cmaj7

Lenny Bruce is not afraid

G

Eye of a hurricane, listen to
yourself churn

Cmaj7

World serves its own needs, don't
misserve your own needs

G

Speed it up a notch, speed, grunt,
no, strength

Cmaj7

The ladder starts to clatter with
fear of height, down, height

[Pre-Chorus]

Bb

Wire in a fire, representing seven
games

Am

And a government for hire and a
combat site

[Verse 2]

G

Left of west and coming in a hurry

Cmaj7

With the Furies breathing down your
neck

G

Team by team, reporters baffled,
trumped, tethered, cropped

Cmaj7

Look at that low plane, fine, then

G

Uh oh, overflow, population, common
group

Cmaj7

But it will do, save yourself,
serve yourself.

G

World serves its own needs, listen
to your heart bleed

Cmaj7

Tell me with the Rapture and the
reverent in the right, right

[Pre-Chorus]

Bb

You vitriolic, patriotic, slam
fight, bright light

Am

Feeling pretty psyched

[Verse 3]

G

Six o'clock, TV hour, don't get
caught in a foreign tower

Cmaj7

Slash and burn, return, listen to
yourself churn

G

Lock him in uniform, book burning,
blood letting

Cmaj7

Every motive escalate, automotive
incinerate

G
Light a candle, light a votive,
step down, step down

Cmaj7
Watch your heel crush, crush, uh oh

G
This means no fear, cavalier
renegade and steering clear

Cmaj7
A tournament, a tournament, a
tournament of lies

[Pre-Chorus]

Bb
Offer me solutions, offer me
Am
alternatives, and I decline
