

She Bangs The Drums Official by The Stone Roses

[Intro]

E

[Verse]

I can feel the earth begin to move
I hear my needle hit the groove

D

And spiral through another day
I hear my song begin to say

E

Kiss me where the sun don't shine
The past was yours

D

But the future's mine
You're all out of time

E

I don't feel too steady on my feet
I feel hollow I feel weak

D

Passion fruit and holy bread
Fill my guts and ease my head

E

Through the early morning sun

D

I can see her, here she comes
She bangs the drums

[Chorus]
